

**CALIFORNIA PROPOSITIONS**

**PROP 91 - NO!!!** Stupid gas tax thing. Even 91's original sponsors are saying vote no. **PROP 92 - YES.** Reduce Community College fees from \$20 to \$15 and set a minimum funding level for Community Colleges. Every time the fees go up, kids drop out. **PROP 93 - YES.** Shorten term limits by two years, but let legislators spend their whole career in either the state Assembly or Senate. Currently, politicians spend more time campaigning instead of governing. Also, legislators don't have enough time to learn their jobs. That means they can become overly dependent on lobbyists, who have decades of experience in working the system for big business interest. **PROPS 94,95,96,97 - FUCK NO. TIMES FOUR.** Slot machine madness. How much of California's soul are you willing to sell for 17,000 more slot machines? **OPEN THIS BAD BOY UP** for more information, or go to <http://piratecatradio.com> for all of the details.

**ELECTION NIGHT PARTY!**  
at the *Pirate Cat* Radio studios!

We'll be watching the election results live on the big screen. Our friends at the **League of Pissed Off Voters** will be there too, and we'll be rapping about what it all means live on the air.

8pm - midnight  
2192 Folsom Street at 18th Street  
Listen at 87.9FM or streaming online at <http://www.piratecatradio.com/>

**Pirate Cat Radio's  
VOTE FUCKER!  
VOTER GUIDE  
February 5, 2008  
polls open from 7am - 8pm**

**MIKE GRAVEL** has won our hearts. He's just as progressive as Kucinich, except he's angry about it!  
**BARACK OBAMA** is our mainstream choice. Let's face it: it's either going to be Hillary or Barack. And despite the issues we have with him, Barack is a quantum leap better than Hillary.  
**GREEN PARTY PRIMARY**  
**CYNTHIA MCKINNEY** is a rarity: A radical with an impressive D.C. resume. And unlike Ralph Nader, she's actually a member of the Green Party.  
**SAN FRANCISCO PROPOSITIONS**  
**PROP A - YES.** Bond money for parks. Bonds are kind of a cop-out, but who doesn't like parks?  
**PROP B - NO.** Bonus money for old cops? The SFPD is a train wreck! We need fresh blood instead.  
**PROP C - FUCK YES!** Tear down Alcatraz! We're sick of that rotting symbol of our failed prison-industrial complex.

## WHY BARACK IS BETTER THAN HILLARY

† **Barack opposed the war** back when everyone was in a 9/11 frenzy. Hillary still refuses to apologize for voting for the war.

† Barack thinks **millionaires should pay Social Security tax** on all of their income. Hillary is fine with everything except their first \$100K being exempt from Social Security.

† Barack and a bunch of other Senators tried to add restrictions to the "PATRIOT" Act. **Hillary voted against them.**

† A lot of people **HATE Hillary**. We don't want another brutal divisive election. **Barack inspires people like no candidate since Bobby Kennedy.** Voting for a mainstream Democrat makes us feel a little like a battered spouse going back to an abusive relationship but **dammit, maybe this time things will be different.**

## WHAT THE HELL IS PIRATE CAT RADIO?

† Pirate Cat Radio is an unlicensed, low-powered, **community radio station**, broadcasting on 87.9 FM to both the San Francisco Bay Area and the Los Angeles basin, 104.8 FM to Berlin Germany, and streaming online at <http://piratecatradio.com>.

† We believe that Title 47 Section 73.3542 of the **U.S. Code of Federal Regulations** currently allows Pirate Cat Radio 87.9 FM to legally broadcast without a formal licence from the FCC. If you have any questions about Pirate Cat Radio 87.9 FM, you can contact us by email at [pirateCatRadio@yahoo.com](mailto:pirateCatRadio@yahoo.com).

## WHY PROPS 94-97 SUCK SO BAD

† Anytime you see people drop \$80 million of their own money for a proposition, **you know something's up.**

† **These are lousy deals.** Other states have negotiated much better deals with their Indian casinos. Is \$150 to \$375 million a year worth it?

† **Slot machines are evil**, manipulative, soul-sucking things that prey on the poor and the elderly and the vulnerable and the weak.

† The deals have **lousy environmental and labor protections**, and local communities have no say in how the casinos expand.

† **These deals only help the richest tribes.** 71 other tribes that don't have casinos will only get a few crumbs out of these deals.

## STUFF ABOUT VOTING

Shut up. It's not as easy as it looks. Did you know that:

† You can find your **POLLING PLACE** by **calling 311** in San Francisco, or you can vote at City Hall.

† You don't have to wait until February 5th to vote! **VOTE EARLY at City Hall!** 8am-5pm Monday-Friday, or 10-4 on weekends.

† Even if you've committed a felony or you're on probation, you can vote. **As long as you're not on felony parole, you can vote.**

† If you see something shady on Election Day you can report it at the Voter Fraud Hotline: (800)345-VOTE.
